We Educate, Inspire and Empower...

Objectives

- The use of ICT can help teachers by storing and recording information about how students are developing understanding of new material; and by taking over some of the role of assessing and providing feedback to students so that teachers can focus on other aspects of supporting learning.
- ICT tools can facilitate the process of assessing student learning as well as delivering timely and meaningful feedback to the students on their learning

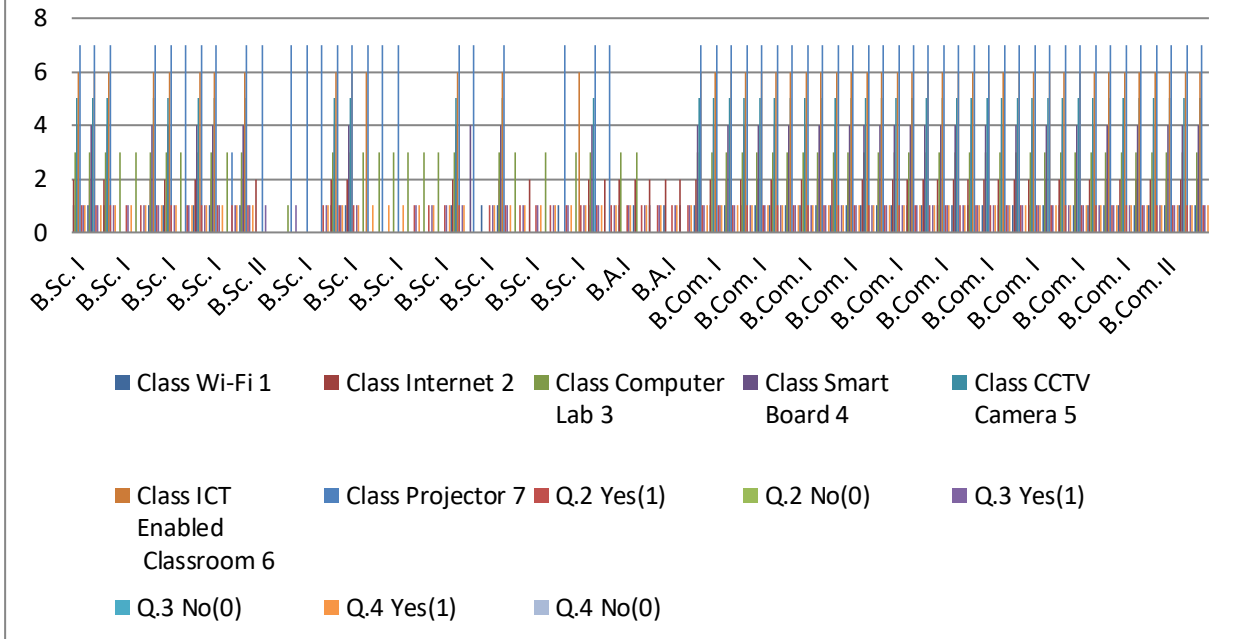

Feedback of Information & Communications Technology (ICT) on 28th January 2020

- Total 28 teachers has been submitted feedback report on ICT facilities at college campus.
- Teachers had suggested to provide smart board facilities and updated software's with high internet speed of wifi.

- Total 75 students of all faculties has been submitted feedback on ICT facilities of college

Student 2019-20 - ICT Feedback Analysis

Action Taken Report

- As per the requirement of students & teachers the college has improved internet facility
