Report on Poster Competition on Energy Awareness

Activity: Poster Competition on Energy Awareness organized on the occasion of energy conservation day.

Aim: To create awareness among students about energy conservation and to highlight the importance of saving energy for economic development, environmental protection, and national progress.

Notice: Notice distributed through WhatsApp.

Organizer: Dr. M. T. Nikam (Officiating Principal)

Convener: Dr. V. B. Huse (Head, Department of Physics)

Co-ordinator: Dr. D. N. Bhoyar

Members: Dr. P.B. Nalle and Dr. P. P. Padghan

Date: 14/12/2024

Action Taken: The Department of Physics, Shri Shivaji Science & Arts College, Chikhli, District Buldana, organized a Poster Competition on “Energy Conservation or Energy Awareness” on 14th December 2024 at 10.00 AM, on the occasion of National Energy Conservation Day.

The objective of the program was to spread awareness among students about the importance of energy conservation under the theme “Save Energy, Save Money, Save Nation, Save the Planet.” The program was conducted under the guidance of the Officiating Principal, Dr. M. T. Nikam, with institutional support from Shri Shivaji Education Society, Amravati.

The Chief Guest for the occasion was Dr. V. U. Pochhi, IQAC Coordinator, who addressed the participants and emphasized the crucial role of energy conservation in achieving sustainable development. His address motivated students to adopt responsible energy usage practices in their academic and personal lives.

Students from B.Sc. - I, B.Sc. II, and B.Sc. III (Physics) actively participated in the competition. The participants prepared posters highlighting energy-saving techniques, renewable energy sources, environmental sustainability, and the socio-economic benefits of energy conservation.

The posters were evaluated by faculty members based on creativity, scientific content, clarity of presentation, and relevance to the theme. Based on evaluation, prizes were awarded to encourage and appreciate student efforts.

Winners of the Poster Competition:

1. First Prize: Sumit Kandale
2. Second Prize: Gopal Ramu Kale
3. Third Prize: Rameshwar Mahale
4. Consolation prize: Vaishnavi Zagare

The winners were appreciated for their creativity and clear understanding of the subject.

Program Outcomes:

- Students gained awareness about the importance of energy conservation and its role in sustainable development.
- The activity enhanced students' creativity, scientific thinking, and environmental responsibility.
- Recognition through prizes motivated students to actively participate in academic and awareness-based activities.
- The program promoted sustainable practices and aligned with national and institutional goals of environmental consciousness.
