Action Taken

The world ozone Day was organized in the Department of Zoology on 16th September. Every year to aware the students about climate change, importance of ozone and its depletion. This day is celebrated throughout the world to know the measures for protection of ozone layer. The Department of Zoology organized Mulberry Plantation Program in the college campus on the occasion of World Ozone Day.

Mulberry plantation program was inaugurated by the hands of Prof. Deepak Pacharne under the Chairmanship of the Principal Dr. Omraj Deshmukh.

Zoology Department conducted Add-on Course in Sericulture; Mulberry Garden is required for mulberry leaves. A new & better mulberry plant cutting were gifted by Shri. Dattabhau Bahekar who is the leading Cocoon Entrepreneur of the District Buldana. So this is the extension of mulberry garden of the college.

Dr. Meena Nikam Prof. & Head of Department, Dr. Vijayshree Hemke and Dr. R.B. Gade took part in the Mulberry plantation program. Non-teaching staff Mr. R.A. Shaikh took efforts for organization of the programme.

Students of the Zoology enthusiastically participated in the plantation program and planted cuttings of Mulberry.

Brochure:

The brochure features a central graphic of a globe with a black handle, partially covered by a large umbrella with red, green, and blue segments. In the top left corner is the college's logo, and in the top right are two circular portraits of men. The text is centered and right-aligned, providing details about the event's organization and participants.
