Sericulture Course is inaugurated by hands of Prof. Dr. Anil Garode Principal of the college. In his inaugural address, He appealed students that make awareness in society regarding Sericulture and this is the good side business with traditional farming. Dr. Meena Nikam explained need of organization of such Add-on Courses in her introductory Speech. Dr. Vijayshree Hemke expressed vote of thanks.

During the course, lectures were conducted by faculties. Time table attached herewith. Add-on courses are complementary courses. So it is conducted on other time than the regular timings of teaching. Theory lecture were conducted in morning and session successfully as per time-table & curriculum of the course. Practical conducted at department.

Student attendance was more than 75%. So all students were eligible for exam.

Examination conducted on 20/12/2019. MCQ type question paper given to students for assessment.

Course Outcome

CO1-On completion of the Sericulture course, students were able to understand overall aspects of Sericulture, namely, Mulberry and non mulberry silkworms and their food plants, Rearing of the silkworm, Silkworm pathology their prevention and its relevance in Seri-farmers livelihood.

CO2-This course created awareness among students about the economic importance and suitability of Sericulture in Indian conditions.

CO3-Demonstrated the Laboratory and field skills in mulberry cultivation and silkworm rearing with an emphasis on technological aspects.

CO4- Students got hands-on training on Mulberry nursery management, Silkworm rearing.

CO5-Demonstrated entrepreneurship abilities, innovative thinking, planning, and setting up small-scale enterprises.

Feedback: 91% Students are satisfied with the course. From the feedback it is suggested that they are interested to know the details of Government Subsidies for Establishment of Sericulture Unit.

Action Taken: As per the suggestion of previous year, a visit to sericulture unit in a nearby farm was organized this year.
