- 7) **No of Participants: 34**

By celebrating Food Day for the students in the college, the Department of Economics is doing a program to tell the students about the importance of food and the hard work of the farmers in the agricultural sector. Although the country is prosperous today economically and in terms of food, if the students remember that many people died of starvation in our country, they will not waste food in the future. Experts expressed the opinion that this is the success of this program.

The Practice/Activity:

The department of Economics was decided to organize the college level program on World Food Safety Day. A committee for the organization of program was formed on 16/10/2021. The members of the committee were as above. The meeting of the organization committee was held on 14/10/2021 and the work was distributed among the committee members. The college level program on World Food Safety Day was organized on 16/10/2021. The students of college were attended and gave a great response to the program. Formal feedback taken after seminar one from male student and one from female student are commented on the World Food Safety day.
