9) National Level Workshop on “The Cult Of Terror, Along with Cyber Crimes”

Aim: To provide a risk-free and secure environment in which data, networks, and devices can be protected from cyber-attacks.

Date: 23- August -2023

President: Dr. M. T. Nikam, Principal, Shri Shivaji Science and Arts College, Chikhli. Dist. Buldhana

Convener: Dr. A. B. Kadam, HOD of Computer Science

Organizing Secretary: 1) Dr. M. E. Jadhav 2) Dr. S. S. Gaikwad

Report of the Activity

The Department of Computer Science has conducted a **National Level Workshop on “The Cult Of Terror, Along with Cyber Crimes”**, on **23 August 2023 at 11:30 am.** Cyber Security is best practice of Computer Science Department. On this occasion “Student Association” was also formed and inaugurated.

Today, the world is more digitally connected than ever before. Criminals take advantage of this online transformation to target weaknesses in online systems, networks and infrastructure. There is a massive economic and social impact on governments, businesses and individuals worldwide. Phishing, ransom ware and data breaches are just a few examples of current cyber threats, while new types of cybercrime are emerging all the time. Cybercriminals are increasingly agile and organized – exploiting new technologies, tailoring their attacks and cooperating in new ways.

Cyber security is important for students because they often target cyber attacks. In a recent case, a group of students from a college in the United States was targeted by hackers who gained access to their personal information, including their Social Security numbers and credit card information. The workshop was conducted online and offline modes.

For the Workshop the resource person was **Dr. Shobha Baviskar, Assistant Professor, Govt. Institute of Forensic Science, Aurangabad.** In her lecture she shed light on all the possible cyber crimes and how one can keep himself or herself safe. Principal and Patron for the **National level workshop on “The Cult Of Terror, Along with Cyber Crimes”**, Dr. M. T. Nikam who inspire us always and support for successful

conduction of the workshop. IQAC Coordinator Dr. V.U. Pochhi was the inaugural guest for the workshop. She has motivated and inspired us to organize such type of events.

One Hundred Twenty and ninety-four participants joined the workshop online and offline respectively.

Impact of the Workshop

Cyber security is important for students because they often target cyber attacks. In a recent case, a group of students from a college in the United States was targeted by hackers who gained access to their personal information, including their Social Security numbers and credit card information.
