Action Taken Report on

World Sparrow Day
20 March 2019

20/03/2019

Chikhli

Celebration of World Sparrow Day was organized on the behalf of Zoology Department on 20th March 2019 at Shri Shivaji College here. On this occasion a program was organized to sensitize students regarding birds and nature conservation. The theme of the program was to install clay water pots for sparrow and other urban birds.

The program was chaired by Dr. Anil Garode, Principal of the College. In his presidential address, he emphasized the importance of Bird in our life. He appealed to students that make possible efforts for conservation of birds. Speaking in her introductory the head of the Zoology Department, Prof. Dr. Meena Nikam said that there is need to celebrate such programs for awareness.

Dr. Vijayshree Hemke anchored the program. Shri Dashrath Sawle delivered vote of thanks. The program received overwhelming response from students. Mr. Vishvnath Sawle and Mr. Rahim Sheikh worked hard for the success of this program.

Clay Water Pots were installed by the hands of Zoology students in 18 acres of college campus. A newspaper article is published to raise social awareness.

Thank You
