**SHRI SHIVAJI SCIENCE AND ARTS COLLEGE**

**Chikhli, Dist. Buldana-443201.**

This institution was established in the year 1967. The sole inspiration behind this institution is Dr. Panjabrao alias Bhausaheb Deshmukh. The local founder Late Pandharinathji Patil with the help with some socially motivated natives initiated education for masses in this institution. Later the institution was merged into Shri Shivaji Education Society, established by Late Dr. Panjabrao alias Bhausaheb Deshmukh, the first agri minister of independent India.

Following the motto of the parent educational institution, '*Tamso Ma Jyotirgamay*', lead me darkness to light, the work of enlightening the lives of the deprived started in this institution. Many courses and the three disciplines viz. Science, Humanities and Commerce have been introduced to keep pace with the changing educational trends in modern times.

In addition to education, various curricular and cocurricular activities are being implemented continuously for the overall development of the students. At the same time, efforts are taken to develop the sport, cultural and social responsibility among students. Numerous attempts are constantly made to develop a scientific approach to break the harmful and superstitious traditions. ## **Conclusion**

The demand for admissions in our college is steadily increasing due to discipline, excellent results, innovative activities, academic environment. Along with the educational environment, the image of the college is strengthening due to the growing educational awareness in the society. We have adopted transparent and inclusive system which makes administration effective. And for that, the management, staff, students, parents and the society as a whole are extending their cooperation. For the last five years we have been working with the slogan in mind- *Hard work, Smart work, Team work*. From this year onwards, we will be exploring innovative directions, intricate and difficult turns, including New Thinking, New Possibilities, and will make our mark on the education scene of Maharashtra, and that will be our goal.
