MEDICINAL PLANT EXHIBITION

Organisation of Medicinal Plant Exhibition

On the occasion of National Sciences Day 28 Feb 2022 of Medicinal Plant Exhibition was organised. The Theme of national science day was “Integrated Approach in Science and Technology for Sustainable Future”. The Exhibition was chaired & inaugurate by the Jr. College Supervisor of the College, Ms Yogini T. Suradkar. In her presidential address she focused on the importance of Medicinal plants and the Conservation and sustainable use of medicinal plant. In the exhibition student Prepare informative posters and present the potted plant and parts of plant. The students collected over 26 varieties of plants which are of medicinal importance. They showcased the importance of growing medicinal plants. The main idea behind the exhibition was the vision of Head, Dept. of Botany Dr. V. U. Pochhi to conserve nature and develop a complete knowledge about nature.

Dr. O.S. Deshmukh principal and Convener gave introductory speech and Dr. V. U. Pochhi introduces the President of the programme. Mr. M. D. Kolte anchored the programme and Dr. V. U. Pochhi Proposed Vote of thanks. 19 participants took part in this Exhibition, Dr. D. B. Bobade, Dr. M. T. Nikam, Dr. G. G. Malte and Dr. J. J. Jadhao also present for this exhibition. Prof. Dilip Gawande worked as Technical Support.

Aim:

- Promotion of cultivation and conservation of Medicinal Plants.
- To create optimum awareness and interest amongst the common people about Medicinal Plants
- To conserve the bio-diversity of Medicinal Plants
- To develop awareness for utilization of herbal medicines for home remedies.
