Mentor-Mentee Scheme

Mentor Report -2021-2022

The Shri Shivaji Science & Arts College, Chikhli conducted the mentor-mentee scheme in college for the session-2021-2022 to have a one-to-one interaction with students. Each mentor was allowed near about a batch of 30 students for mentoring during a complete session. Mentors were worked as friends, philosophers and guides for the assigned students. Mentors kept track of the performance of students on day-to-day activities performed by mentees and recorded daily attendance, college and university results, participation in various Curricular and extracurricular activities.

Every mentor from college offered emotional, spiritual and academic support for the holistic development of assigned mentees.

Followings are some highlights during the session-

Total Number of UG students admitted during session- 963.

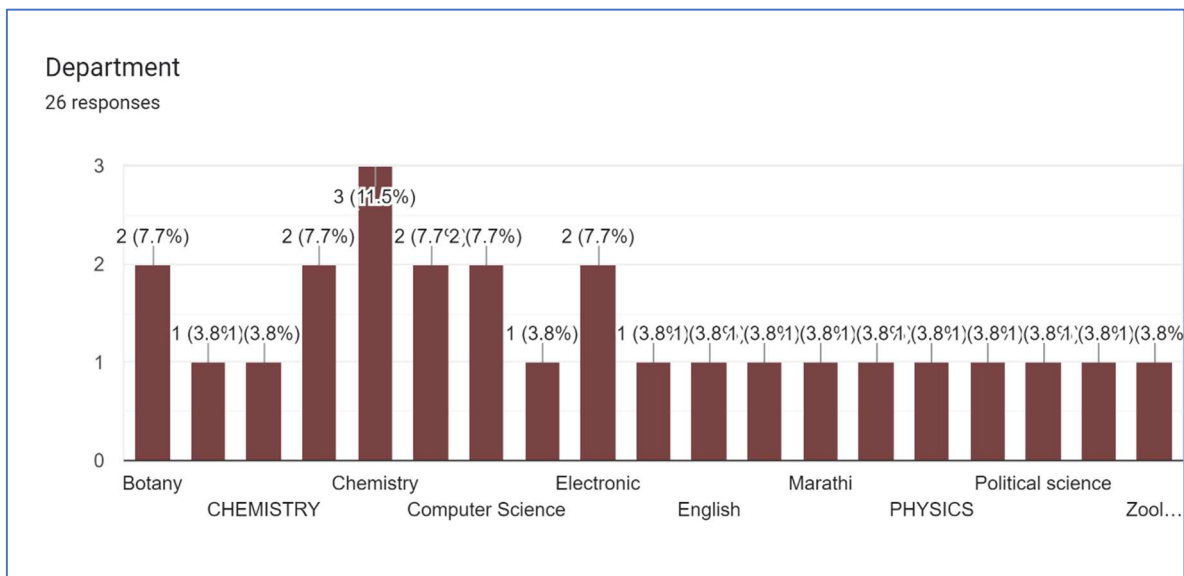

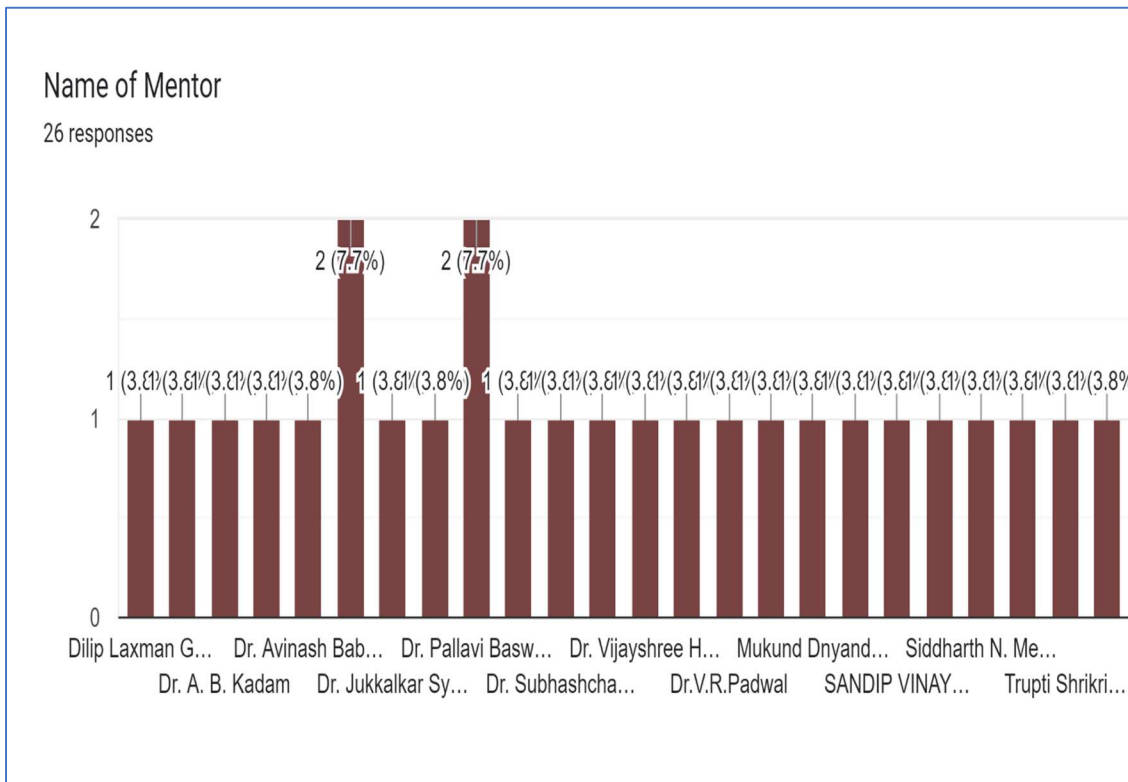

- ❖ Number of full-time Teachers-34
- ❖ Mentor-Mentee Ratio (UG) -1:28
- ❖ A total number of meetings conducted during a session with Mentor-Mentees and parents in offline mode 4.

Due to the mentoring scheme, we observed the cumulative progress in academics and the overall personality of the students.
