Activity Taken: Department of Microbiology, Shri Shivaji Science & Arts College Chikhli, organized Tuberculosis Awareness programme on Occasion of World Tuberculosis Day on 26/03/2024 at 12.00 P.M. for the students of B. Sc. I, II, III, M. Sc. I & II. Dr. S.N. Mendhe, Head of Department introduce resource person Prof. R. N. Ganbas.

Prof. R. N. Ganbas delivered a talk on Tuberculosis, its causes, symptoms, Transmission, Prevention and Control. He emphasized on the way by which TB transmits and how to prevent TB transmission.

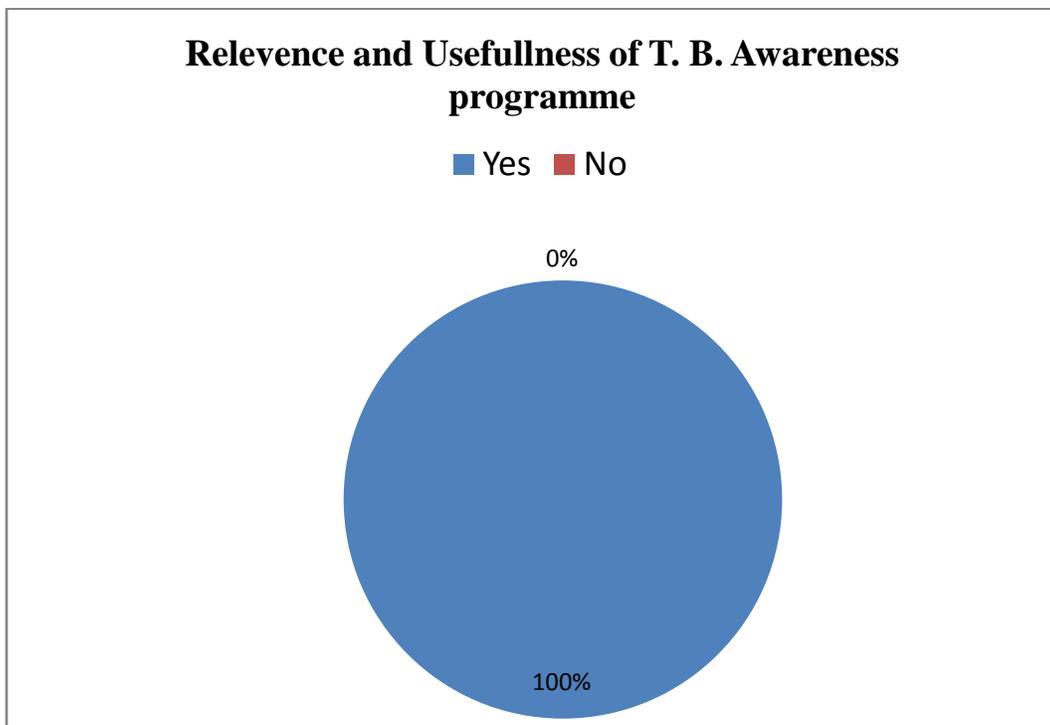

In this programme Dr. M. T. Nikam, Principal and Dr. V. U. Pochhi madam also guided to students about T.B.

Vote of thanks was proposed by Dr. S. N. Mendhe.

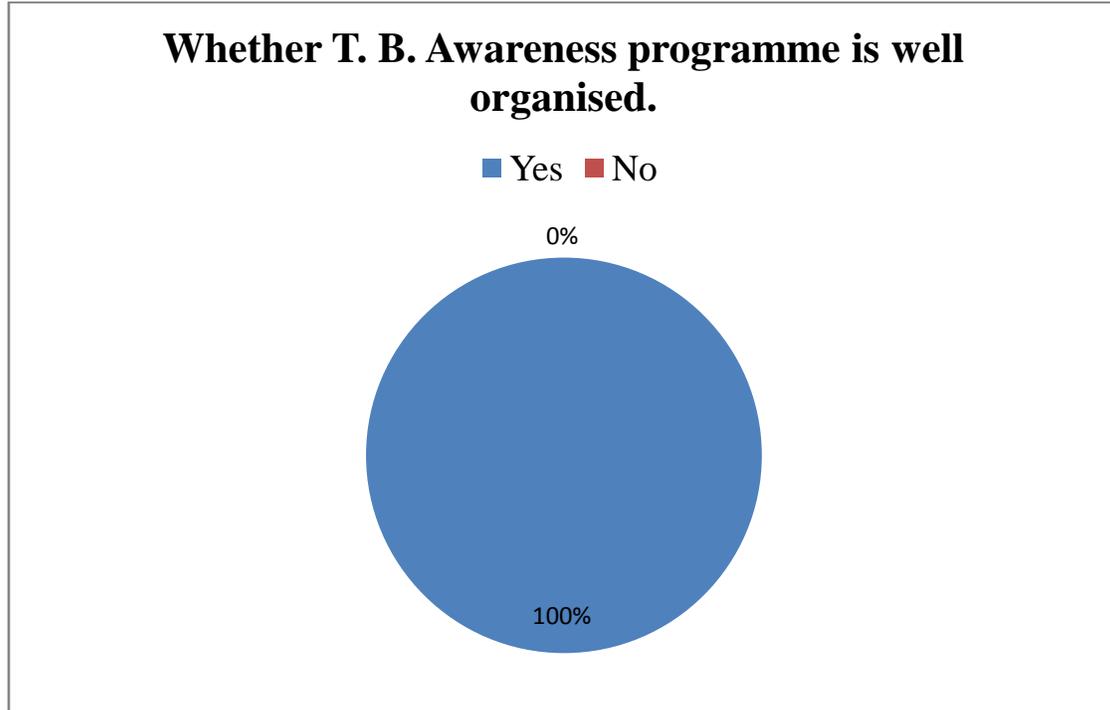

Feedback Analysis

After completion of T.B. awareness program feedback from all participants was collected by offline mode. After the analysis of feedback following observations were noted prominently

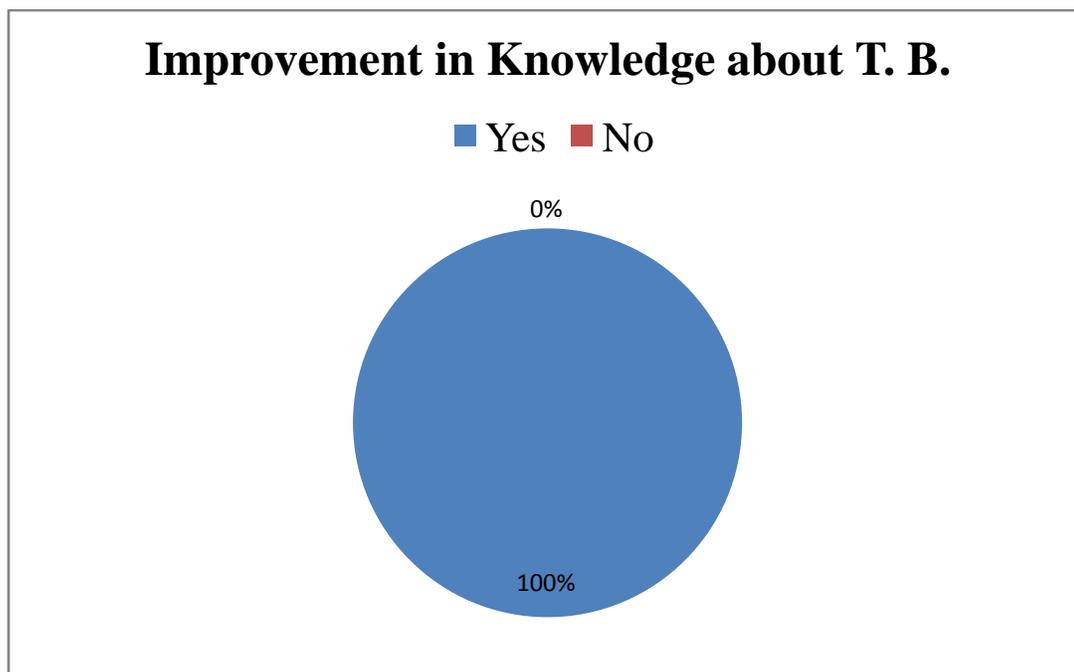

❖ **Whether program is relevant and useful to aware about T. B.:**

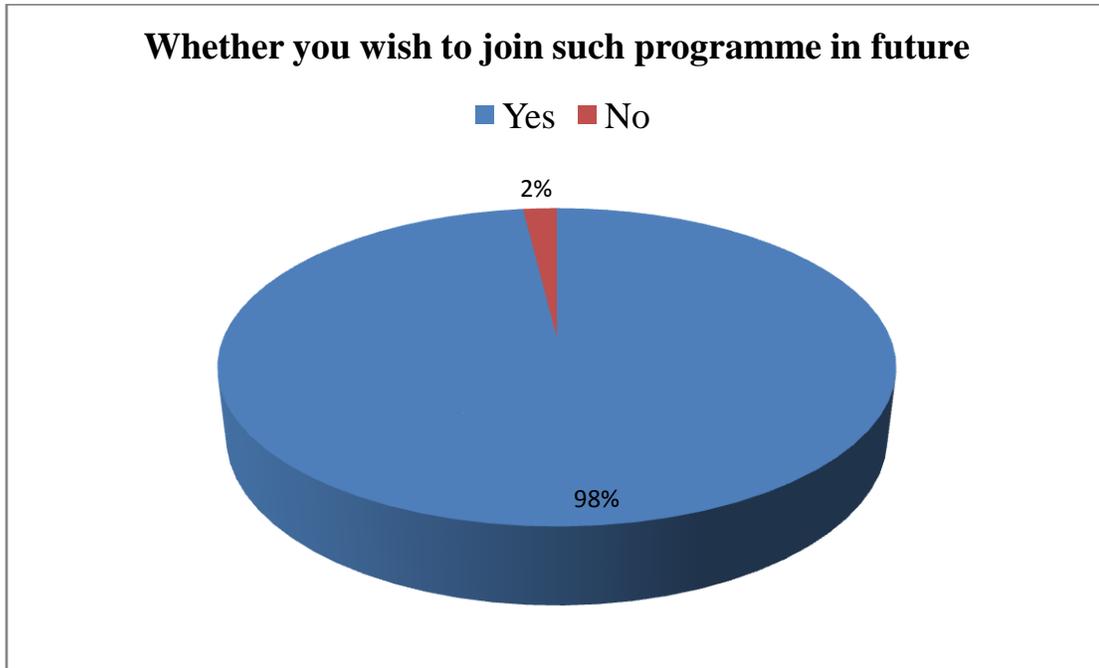

❖ **Organization of Guest lecture:**

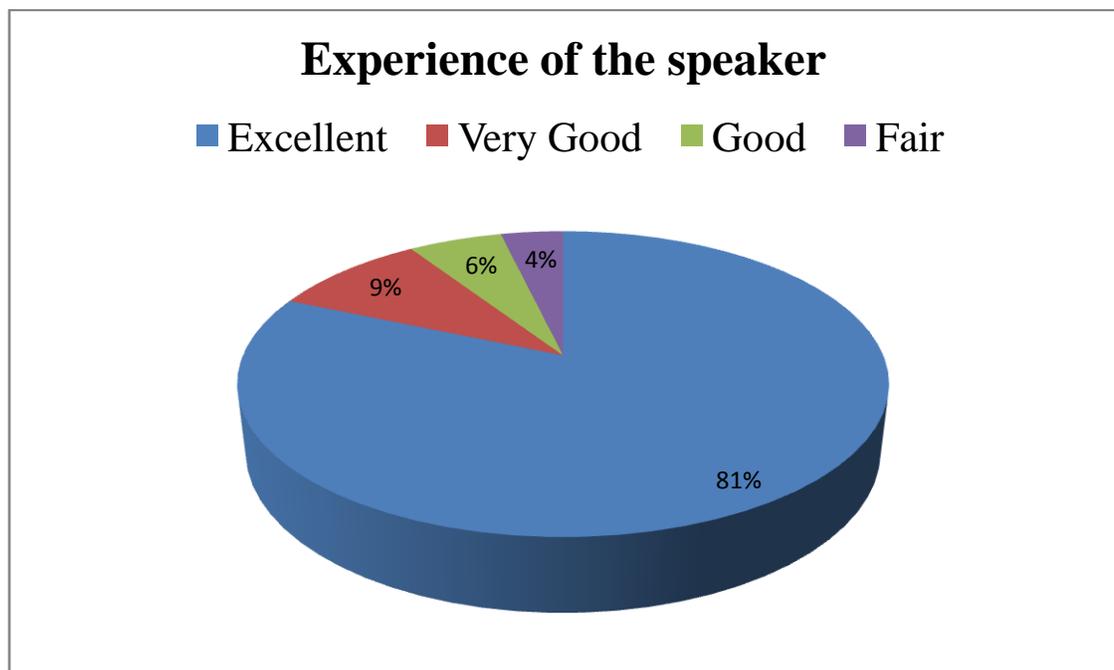

❖ **Whether this T. B. Awareness program improves your knowledge:**

❖ **Whether you wish to join such awareness program in future**

❖ **About Speaker**

Action taken on Feedback Analysis

Suggestions, comments and Action taken:

- 1) As per student feedbacks we have to plan organize such type events in future.
- 2) As per student suggestion we will organize such programs with practical approach.

Here I am submitting the brief **Activity Report** and **Action Taken Report** of Tuberculosis Awareness program.
