Principal's Message

Shri Shivaji Science & Arts College, Chikhli, Dist. Buldana, is established in 1967 to serve ever growing educational needs of the society. Dr. Panjabrao Deshmukh and Dalitmitra Pandharinath Patil come together under the banner of Shri Shivaji Education Society, Amravati. Adv. R. D. Bhonde 'Sarkar' and Dalitmitra Santoshrao Patil along with other sociopolitical leader helped a lot to establish this institution. The farmers also contributed in this holy and sacred task.

Over the years, the college has set commendable tradition of initiative and imagination and has grown in to an institution of significant stature in the educational scene. The college has laid guidelines for its stakeholder's viz. teachers, students, other staff members and parents. It gives me a sense of gratification and pleasure that the college has released its Handbook of Code of Conduct & Professional Ethics, which dwells on the dos and don'ts pertaining to all the stakeholders.

The handbook clearly outlines the instructions and set of procedures to be followed by the Principal, teachers, students and other staff members to ensure a smooth and healthy functioning of the college. Order and discipline and sincerity of purpose should be the hallmark of any educational institution.

I hope and pray that the stakeholders will strive to abide by the code of conduct and professional ethics that will contribute to college's growth and potential.
