Feedback & Action Taken:

Feedback: Feedback of the participants are collected through online link of google form. The graphs of the specific questionnaire are attached below.

Action Taken

1. In this CORONA Pandemic, it is decided to organize online webinar on, “Career Opportunities in Physical and Mathematical Sciences for U.G & P.G. Students”
2. A committee for the webinar formed .The committee member are as given in above report.
3. The work was distributed among the committee members.
4. A Google form registration link was posted on Whatsapp Group of the college teachers and the class wise group of students. The teachers forwarded the link to the state level associations groups of their subjects.
5. The resource person emphasized on the career opportunities in physics and mathematics.
6. Six hundred and sixty six participants including students and teachers registered for the workshop.
7. Feedback from the participants were taken and analysed. Most of the participants commented that the workshop was very useful and informative.
