# Students Representative Council (SRC) Report 2020-21

## Aims/ Objectives :

- To develop qualities of leadership among the students
- To inculcate the values of Rights, Duties, Responsibility and Cooperation among the students.
- To create daring for present the problems of students to administration and management
- To create political socialization for elective democracy system among the students.
- To give Opportunity to students in College administration.

To achieve the above aims ad objectives, the govt. of Maharashtra, passed the Maharashtra Public University Act in 1997 and another one of Act 2016 respectively.

SGB Amravati University Amravati also published it in gazette of 1997, Part 21 on July 15, 1997 extra ordinary election of SRC on the base of Merit up to 2017-18. College also implemented it regularly in each session.

Maharashtra Govt. passed another public University Act in 2016, for direct election of SRC through voting powers to students as "one student one vote equal value ", but this act of 2016 is challenged at Court, due to some reasons and election of SRC is held up in state from 2018-19 to till 2021-22. Due to this reason College did not established SRC.
